BRF (The Bible Reading Fellowship). Paperback. Book Condition: new. BRAND NEW, 2 Corinthians: A Bible Commentary for Every Day, Aida Besancon Spencer, "But we have this treasure in clay jars, so that it may be made clear that this extraordinary power belongs to God and does not come from us." Paul's second letter to the young church at Corinth is forged in the heat of difficult circumstances. False teachers were challenging the apostle's authority and he also had to present a defence of the practice of church discipline for those who had in some way strayed. Throughout this passionate letter, despite the believers' failings, their lack of commitment and their criticism of his ministry, Paul's love and concern for them shine through. "The People's Bible Commentary" series covers the whole Bible, with a daily readings approach that brings together both personal devotion and reflective study. Combining the latest scholarship with straightforward language and a reverent attitude to Scripture, it aims to instruct the head and warm the heart. The authors come from around the world and across the Christian traditions, and offer serious yet accessible commentary. The series is aimed at first-time students of the Bible, all who read the Bible regularly, study group leaders, and anyone involved in preaching and teaching Scripture.
