This volume includes all first 3 stories of the Glass Planet Series, The Clear Beings, Gabriel s Objective, and the Silver Sarcophagus (new 2013). An indigenous people on a young planet are accidentally invaded by a deep space research team of aliens. And their lives are forever changed. The ancient god-father is displaced, then returns and effects great changes for the now nomadic peoples of his descent. He attempts to aid, but almost destroys them with his love, and then he dies despondantly deep in space. The mystery of his death is solved in the discovery of the Silver Sarcophagus five thousand years later. The ancient beacon is triggered.
