## THE MEANING OF THE MUSICAL TREE

DOWNLOAD

Xlibris, Corp. Paperback. Book Condition: New. Paperback. 234 pages. Dimensions: 8.8in. x 5.9in. x 0.8in. INTRODUCTION WHAT DOES IT MEAN We had the experience but missed the meaning T. S. Eliot, The Four Quartets What does it mean How many times we ask ourselves that question! Frankl wrote that to find meaning in one's life was the primary motivational force in man. Gurdjieff's fundamental question was g What is the meaning and purpose of man's life on earth h Without meaning, life becomes only a dreary disillusionment, a mere stop-gap between birth and death. Since our human nature abhors a vacuum, our common search turns towards filling the ever-present inner void. Our humanity urges us to fill in the empty space between the two points. What urges us is the will to meaning: Who am I What am I Why am I here The Mysteries not only address these wrenching human questions, but afford them objective, mathematically-provable answers. The Mystery teachings are all about the science of mediation. Mediation means the mean between the extremes. h Without the calculable knowledge of the mean, we are the halt leading the blind; and all fall into the ditch of ignorance and discord. From ancient times, the keynote of the special training into the Mysteries concerned the vibratory laws of harmonics. Harmonics is the language of initiates. Even today, our scientists, peering into the ineluctable mysteries 10 MITZI DEWHITT of Nature, recognize how the knowledge harmonics unveils the hidden, mysterious, underlying substructure of the visible material world in which we live. They call it string theory. However, they see only the tip of the iceberg, and fail to comprehend the vastness of the structure lying below the surface. Consequently, their results give no real meaning to their discoveries. As ancient cultures well knew, unless understood with a special cast of mind, the arid and secular ( Ital. secco, dry) knowledge of mathematical harmonic ratios lead only to pedantic factual data that no one,...
