Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Ally Reichel)

DEATH AND THE ARROW

Random House Children's Publishers UK. Paperback. Book Condition: new. BRAND NEW, Death and the Arrow, Chris Priestly, Fifteen-year-old Tom lives in the murky, sooty city of London, where he helps his father to run a print shop. Among the customers is wise old Dr Harker, a retired physician and seafarer, whose patient demeanor and fascinating tales endear him to Tom. When Tom and Harker hear a newspaper seller announce a most curious murder in the city, with the victim pierced by an arrow and left holding an illustrated card of 'Death and the Arrow', they are both intrigued by the mystery. As subsequent 'Death and the Arrow' victims are discovered, the mystery closes ever more tightly round the city and intrudes even into Tom's own life. From then onwards, he can't rest till he has discovered the truth behind the murders. This is a really atmospheric venture into the eighteenth-century, combined with a gripping mystery plot, that will fascinate and engage readers of ten and upwards.
