Essay from the year 2013 in the subject Psychology - Methods, printed single-sided, grade: -, -, language: English, comment: Es handelt sich um die bersetzung ins Englische der bereits hochgeladenen Arbeit: Die Beschreibung des Unsichtbaren! , abstract: What is my cat thinking . . . Yes, what is she thinking Does she think at all Does she have emotions Does she daydream from time to time Does she like me or does she only see me as an automaton that feeds her (It makes no difference whether you prefer to think about your dog, your guinea pig, or some other kind of animal - the important thing is to think!) Does a bird plan the construction of its nest Or does it merely obey blind instincts (Whatever that may be) Does my cat think about what she might do next Can she choose freely whether to visit the tomcat next door or whether to go hunting for mice Why dont we know these things Why are scientists unable to provide definite answers to all these questions Lets assume youre interested in such questions - what could...
