

## Deterrence and Crime Prevention: Reconsidering the prospect of sanction (Routledge Studies in Crime and Economics)

Filesize: 2 MB

### ***Reviews***

*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Routledge, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Deterrence or the threat of sanctions for violation of rules is a complex concept but an inherent part of any crime-control strategy. David Kennedy has thought long and hard about the complexities and has worked directly with law enforcement and communities in developing innovative deterrent strategies and tactics. In this wide-ranging exploration of the many facets of deterrence, Kennedy draws heavily on his involvement with real-world crime prevention to develop new frameworks to make sure that deterrent threats are framed to do the job." Alfred Blumstein, Heinz School, Carnegie Mellon University "David Kennedy demonstrates an encyclopedic command of the deterrence literature. More important is his balanced and insightful analysis of the promise and limits of deterrence for preventing crime. This book is a must read for students of deterrence and practitioners who can affect the way the punitive powers of the police, courts, and corrections are used to prevent crime." Daniel S. Nagin, Teresa and H. John Heinz III University Professor of Public Policy and Statistics, Carnegie Mellon University "By the thoughtful application of focused deterrence strategies our community has become a safer place. Our neighborhoods have been freed from the terror of violence associated with overt drug markets. The teamwork that took place between the police and our citizens to make this happen has actually been healing to the relationship between the police and our African-American citizens in particular. We should never again have to admit that we cannot work together successfully due to the baggage of misunderstanding. The ability to produce sustained reductions in violent crime in our most troubled neighborhoods has been achieved. We now enjoy the ability to effectively combat violent crime in a manner that does not produce unintended...
