Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from *Electric Ranges, Vol. 3* The formal organization of the Engineering Experiment Station of Purdue University was approved by the Board of Trustees on February 28, 1917. Its function, as set forth at that time, is to conduct researches in the field of engineering, to cooperate with engineering societies in pursuing industrial investigations; and to publish and distribute the results of its work in the form of bulletins. The board of management consists of the dean and official heads of the four engineering schools, the dean acting as director. Bulletins will be issued from time to time setting forth the results of scientific investigations conducted in the laboratories of the university by members of the station staff. Circulars of information, containing compilations of facts and data gathered from reliable sources will be published as occasion demands. The cooperation of engineering societies, of public commissions and of individual manufacturers in research of general interest, will be welcomed by the board of management. All communications should be addressed to Director Of Engineering Experiment Station Purdue University, Lafayette, Indiana.
