Createspace, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Week after week, Sunday after Sunday, churches are occupied by attendees looking and sounding like Christians. The goal of this book is to expound on the differences between bona fide Christians and the counterfeit Christians that populate many of our church buildings today. There are recognizable differences in mannerisms, speech, and mindsets, among other things. Knowledge about these differences, along with a fresh determination to work harder at pleasing God, is what I hope readers will take away with them. As a result, maybe church folks will become less successful at running people away from the church and more successful at bringing the unsaved into the fold.
