El Pais de Uno: Reflexiones Para Entender y Cambiar A Mexico

By Denise Dresser

Aguilar. Paperback. Book Condition: New. Paperback. 352 pages. Dimensions: 9.4in. x 5.9in. x 0.9in. Distinguished political scientist and journalist Denise Dresser's accurate and uncompromising diagnosis of our national reality outlines the path to a just, competitive, and democratic nation. Here, she points out our rulers' most common and serious errors and the risks we'll face before economic disparity, corruption, and impunity. *El país de uno* is a courageous work that condemns Mexico's darkest areas, but also provides vital keys to understanding our present. Spanish Description: Un diagnóstico certero e implacable de la realidad nacional mexicana, elaborado por la destacada politóloga Denise Dresser, quien bosqueja las posibilidades para construir una nación más justa, competitiva y democrática. *El país de uno* señala los errores más comunes y graves de nuestros gobernantes y los riesgos que tendremos ante el crecimiento de problemas sociales como desigualdad económica, corrupción e impunidad. Sin duda, un libro valiente que denuncia de forma frontal y lucida las zonas oscuras de nuestro país y brinda las claves esenciales para entender nuestro presente. México padece fracasomanía: el pesimismo persistente ante una realidad que parece inamovible. La corrupción no puede ser combatida; los políticos no pueden ser propositivos; la sociedad no puede...

Reviews

Thorough manual for ebook fans. it had been written quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Dr. Catherine Wehner

Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be he finest book for ever.
