Reviews

Absolutely essential go through publication. Yes, it really is engage in, nevertheless an amazing and interesting literature. Its been developed in an exceptionally straightforward way and it is simply following i finished reading this publication through which actually changed me, change the way i really believe.

(Vergie Hyatt)

EDITH CAVELL

Paperback. Book Condition: New. Not Signed; Edith Cavell was born in 1865, daughter of a Norfolk vicar, and shot in Brussels on 12 October 1915 by the Germans for sheltering British and French soldiers and helping them escape over the Belgian border. Following a traditional village childhood in 19th century England, Edith worked as a governess in the UK and abroad, before training as a nurse in London in 1895. To Edith, nursing was a duty, a vocation, but above all a service. By 1907, she had travelled most of Europe and become matron of her own hospital in Belgium, where, under her leadership, a ramshackle hospital with few staff and little organization became a model nursing school. When war broke out, Edith helped soldiers to escape the war by giving them jobs in her hospital, finding clothing and organizing safe passage into Holland. In all, she assisted over two hundred men. When her secret work was discovered, Edith was put on trial and sentenced to death by firing squad. She uttered only 130 words in her defence. A devout Christian, the evening before her death, she asked to be remembered as a nurse, not a hero or a martyr, and prayed to be fit for heaven. When news of Edith's death reached Britain, army recruitment doubled. Diana Souhami brings one of the Great War's finest heroes to life in this biography of a hardworking, courageous and independent woman. book.
