Text Publishing Co, Australia, 2015. Paperback. Book Condition: New. 233 x 155 mm. Language: English . Brand New Book. In the 150 years since the end of the Civil War and the ratification of the Thirteenth Amendment, the story of race and America has remained a brutally simple one, written on flesh: it is the story of the black body, exploited to create the country's foundational wealth, violently segregated to unite a nation after a civil war, and, today, still disproportionately threatened, locked up and killed in the streets. What is it like to inhabit a black body and find a way to live within it? And how can America reckon with its fraught racial history? *Between the World and Me* is Ta-Nehisi Coates attempt to answer those questions, presented in the form of a letter to his adolescent son. Coates shares with his son - and readers - the story of his own awakening to the truth about history and race through a series of revelatory experiences: immersion in nationalist mythology as a child; engagement with history, poetry and love at Howard University; travels to Civil War battlefields and the South Side of Chicago; a journey to France that reorients his sense of the world; and pilgrimages to the homes of mothers whose children's lives have been taken as American plunder. Taken together, these stories map a winding path towards a kind of liberation - a journey from fear and confusion, to a full and honest understanding of the world as it is. Masterfully woven from lyrical personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* offers a powerful new framework for understanding America's history and current crisis, and a transcendent vision for a way forward.
