Reviews

This publication is wonderful. It can be rally fascinating throgh reading period of time. You are going to like the way the writer create this publication.

(Mrs. Piper Jacobi)

STANDARDIZED TESTING PRIMER

[DOWNLOAD](#)

Peter Lang Publishing Inc. Paperback. Book Condition: new. BRAND NEW, Standardized Testing Primer, Richard P. Phelps, The Standardized Testing Primer provides non-specialists with a thorough overview of this controversial and complicated topic. It eschews the statistical details of scaling, scoring, and measurement that are widely available in textbooks and at testing organization Web sites, and instead describes standardized testing's social and political roles and its practical uses - who tests, when, where, and why. Topics include: an historical background of testing's practical uses in psychology, education, and the workplace; the varied structures of educational testing programs and systems across countries; the mechanics of test development and quality assurance; and current trends in test development and administration. A glossary and bibliography are also provided. The Standardized Testing Primer is an ideal text for teaching this subject to undergraduate and graduate students.
