

The .45-70 Springfield, 5th Edition

Filesize: 5 MB

Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

2011. Soft Cover. Book Condition: New. 5.5 x 8.5 in. Collector Bookstore is a retailer of new books located in Leavenworth, Kansas. We specialize in price guides and reference books for the antiques and collectibles industry. Three new chapters have been added to this new 5th Edition: The Officer's Model Rifle, .45 Caliber; The Model 1886 "Experimental" Carbine, and The Model 1906 Fencing Musket. Each of the new chapters contains a complete description of how each differs from the standard .45-70 Springfield Rifle and Carbine. New information, never before published and full color illustrations of the various models have been included. Every part and every change to that part of the .45-70 Springfield Rifle and Carbine made by the U.S. Army's Ordnance Department is described in photos and drawings. Dimensions and finishes are listed for each part in both the text and tables. For instance, seventeen different rear sights were used on the .45-70 Springfield trapdoor rifle and carbine. Each sight is carefully photographed and the differences noted. Then each rear sight is matched to the specific serial number range in which it was used. The same technique was used on lock plates, barrel bands, trigger assemblies, stocks, ramrods, etc., covering every part of the rifle and carbine. The chapters on accoutrements and tools have been greatly expanded with descriptions and photos to cover all issued to the soldier. Bayonets, scabbards and frogs are described and matched to years and serial number ranges of issue. The authors also show how it is possible to determine if a .45-70 bayonet was newly-manufactured, or was a Civil War-period bayonet that had been swaged to fit the new rifle. Hunting and intrenching knives, bayonets, carbine slings, front sight covers, ammunition belts and cartridges boxes, etc. receive the same treatment. All markings and inspection...
