Brand New Book ***** Print on Demand *****.There are people who believe you can t change things and then there are people who shift things. Roger Wilkerson is one of the latter, with a unique talent for finding solutions to complex problems. Roger s focus is assisting children, particularly those who have been labeled disruptive due to ADD/ADHD/ODD. These children often have fallen victim to the challenges of over-testing without basic instruction in core subjects such as mathematics, reading, writing, and verbal expression skills. Homework Sanity: Insights for Parents from a Private Tutor is a tool to aid parents in partnering with their child to learn, rather than descending into the unappreciative trap of the Homework Monitor from Hell. Born in Columbus, Ohio, Roger is based out of Los Angeles, California. He loves traveling and has lived in Philadelphia, Los Angeles, Honolulu, Saudi Arabia and Thailand. His one-on-one tutoring services are employed worldwide.
