It is necessary to apply a market analysis in order to determine and examine the appropriate approach to enter a market. This essay provides a scan of the Thai market attractiveness for the Danish medium-sized enterprise Red//Green, in order to recommend a market entry strategy. The first section focuses on the application of the 12C framework in order to draw up a market attractiveness profile, combined with a risk evaluation of the Thai market. The second part determines the attractiveness of the Thai market with respect to the information and relevant factors gathered from the 12C model. Interpretation of those factors will then be...
