CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 272 pages. Dimensions: 8.5in. x 5.5in. x 0.8in. SILVER MEDALIST - 2011 Readers Favorite Book Awards. I loved this book, I couldnt put my Kindle down! I cant wait to read more of this authors works. This book was so intriguing and suspenseful and best of all WELL WRITTEN. Amazon Review. An intelligent thriller that weaves the echoes of recent events into a lively narrative. Plotted deftly, this is a recommended read for all who appreciate stories in the vein of Clancy and Flynn. Ryne D. Pearson, Best Selling Author of Simple Simon (aka the movie, Mercury Rising) This is a well-plotted and exceptionally written and researched thriller. Betcher tells a convincing story and yet manages to keep the violence and coarse language to a minimum and thus ensures a wide and satisfied audience. All the players are brought together as Betcher builds momentum and suspense for a satisfying ending that will leave you entertained and excited for the next episode. The book stands alone well, but I dare you to read this one without needing to quickly purchase The Missing Element (book 1) and The 19th Element (book 2). Highly Recommended. READERS CHOICE REVIEWS. This novel tells a complicated tale of revenge that comes to those who wait. Marty Dodge for Book Pleasures. Follow the potential life of one Mexican-American individual who dedicated his life to eliminating the Drug Cartels. John Betchers choice to use this character is intriguing, allowing us to see into the heart of many Mexicans who are just as concerned, and maybe even more so, about the influence of drugs in the United States and throughout the world. I commend John for this effort and look forward to future important books...
