Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

THE AMAZONS: LIVES AND LEGENDS OF WARRIOR WOMEN ACROSS THE ANCIENT WORLD

Princeton University Press. Paperback. Book Condition: new. BRAND NEW, The Amazons: Lives and Legends of Warrior Women Across the Ancient World, Adrienne Mayor, Amazons--fierce warrior women dwelling on the fringes of the known world--were the mythic archenemies of the ancient Greeks. But just who were these bold barbarian archers on horseback who gloried in fighting, hunting, and sexual freedom? In this deeply researched, wide-ranging, and lavishly illustrated book Adrienne Mayor reveals intimate, surprising details and original insights about the flesh-and-blood women of the Eurasian steppes known as Amazons. Combining classical myth and art, nomad traditions, and scientific archaeology, The Amazons is the first comprehensive account of warrior women in both myth and history across the ancient world, from the Mediterranean Sea to the Great Wall of China.
