The dialogue which occupies the larger part of this volume, although generally known by the name of the rhetorician Gorgias, sometimes bears the sub-title of Rhetoric. This latter may seem a strange designation for a work the aim of which is nothing less than to discover wherein happiness, or, what to Plato is a synonymous term, The Good, consists. But, as his great master had brought down philosophy from the world of pure thought to the daily haunts of men, -- to the street, the market-place, the public Assembly; so Plato deemed no subject so trivial that its relation to The Good might not profitably be ascertained, none so remote that it might not form a connecting link between men s daily lives and the universal object which every soul pursues, and for the sake of which it does all that it does. 1 Surely, then, the art which was more persistently and systematically cultivated than any other by the Athenians of the time of Socrates and Plato is no inappropriate heading to this search after the best way of life. Chief among the causes contributing to the popularity of rhetoric or, as it has been defined, the power of discerning every possible means of persuasion upon every subject 2 was the recent establishment of dikasteries or courts of justice, in which large numbers of the citizens 1 Republic, 505 E. 3 Aristotle, Rhet. i. 2, p. 1355 b 26. were compelled...
