Lesson Plan from the year 2008 in the subject English - Pedagogy, Didactics, Literature Studies, grade: 1, 7, <http://www.uni-jena.de> (AnglistischAmerikanistisches Institut), course: Proseminar: Transatlantic E-Mail exchange, language: English, abstract: The Wave is a movie based on real circumstances: A history teacher in the USA tried to answer the questions of his students: Why was it possible that the national socialists could move a whole nation to war Why did the Germans not stop the killings in the concentration camps and why did most of them not know what was happening there Is a dictatorship like the one of Hitler in Germany possible again in modern times To answer these questions the teacher made an experiment to show the students what a dictatorship is about. However the project went wrong and the story moved around the world. At first a movie was made in the 80s in the USA for television, later a novel was written by Morton Rhue and last year a German movie was produced with Jrgen Vogel in the male main character role. The movies and the novel caused a lot...
