Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Brand New Book ***** Print on Demand *****.Excerpt from The Health Bulletin, Vol. 57: January, 1942 After nineteen years of continuous service as editor of The Health Bulletin, Dr. G. M. Cooper has been granted a leave of absence for an indeterminate period. This is the cause of genuine regret to the staff of the State Board of Health and to the readers of the 60,000 copies of the Bulletin that are distributed each month. The increase in activities of the Division of Health Education, Crippled Children s Work, and Maternal and Child Health Service, directed by Dr. Cooper, together with the difficulty in securing medical personnel to assist him in carrying out the program of his Division combined in influencing him to wish a respite. Consequently, he is being given a breathing spell which all his friends hope will result in his again becoming editor within a short period. During these nineteen years Dr. Cooper has actually written more than 1,200,000 words for The Health Bulletin. This is more than 1,825 pages, the equivalent of some live conventionally sized novels. But Dr. Cooper s writing was not fiction - it was hardheaded advice on the way to health. The variety of subjects which he has discussed, if indexed, would be a complete list of public health problems which have arisen during the past two decades. In these writings there was no evasion nor sidestepping. If public well-being was endangered, the rights of the little man were just as important as were those who by general acceptance occupied high positions in our social order. He was not a cantankerous editor, looking for a quarrel, but neither did he dodge the responsibility of speaking out...
