## Including and Supporting Learners of English as an Additional Language (Hardback)

---

By Madeleine Graf

Continuum Publishing Corporation, United States, 2011. Hardback. Book Condition: New. 238 x 154 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Including and Supporting Learners of English as an Additional Language identifies issues arising in teaching children from a range of linguistic backgrounds, and provides practical, research-grounded suggestions for good practice. Issues are discussed in the context of social inclusion and the Every Child Matters agenda and some differences in policy between England and Wales are identified. Strategies for working with children for whom English is an Additional Language (EAL) are explored and attention is paid to the period of transition between Key Stage 2 (KS2) and Key Stage 3 (KS3). Case studies, points for discussion or reflection and research summaries are incorporated in this accessible text. Clear links to the Qualified Teacher Status (QTS) standards for both England and Wales are provided, and a bank of suggested resources and support material is included. Essential reading for all trainee teachers working with EAL students and a useful resource for practitioners looking to refresh their skills.
