Turner Publishing Company. Hardback. Book Condition: new. BRAND NEW, The War on Moms: On Life in a Family Unfriendly Nation, Sharon Lerner, "A stinging account of how public policy and private businesses have failed to adapt to working mothers." --Jennifer Ludden, NPR Why life is harder on American families than it's been in decades-the book that takes the blame away from moms and puts it where it really belongs Pressed for time and money, unable to find decent affordable daycare, wracked with guilt at falling short of the mythic supermom ideal-working and non-working American mothers alike have it harder today than they have in decades, and they are worse off than many of their peers around the world. Why? Because they're raising their kids in a family-unfriendly nation that virtually sets them up to fail.
