Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

AZAADI

Abhinav Publications, New Delhi. Hardcover. Book Condition: New. First Edition. 160pp. This fascinating collection of stories, anecdotes, observations and reminiscences presents, Very largely, a picture of the Indian subcontinent since 1947, the year of azaadi, independence. There have been wars and massacres and massive political, social and economic changes; corruption has been rampant and vast injustices have been perpetrated on the poor. This book, however, celebrates that spark of sheer goodness and simple decency which still resides in the soul of every single human being there is, in short, much hope for the future. Fact and fiction are variable, interchangeable ingredients in the craft of storytelling. The storyteller's first loyalty must, of course, always be to his calling and, in the end, the fact-fiction ration is of little or no consequence. What matters is whether the tale has been well told. Hopefully, readers will feel that the stories in this collection fall into that category. The writer inhabits, indeed flourishes, in an area of ambiguity. It is there in the dangerous quicksands that he discovers the workings of the mind and the heart. These stories, set in a time frame of great historical importance, speak of men and women caught up in the cataclysm.
