BIBLICAL MISCONCEPTIONS ABOUT DIVORCE AND REMARRIAGE: SHOOTING THE CHURCH S WOUNDED

Outskirts Press, United States, 2011. Paperback. Book Condition: New. 226 x 142 mm. Language: English . Brand New Book ****** Print on Demand ******. Biblical Misconceptions About Divorce and Remarriage at last, accurately explains what the Christian Bible actually teaches about this very confused subject. In this book you will discover: -The amazing contrasts and confusing interpretations between our different English translations that have caused great confusion. -The little understood historical differences addressed in the Bible that were totally different than our day and time. -How God s personal character of being a Just God dictated the requirement for a Divorce Document to be granted for the offended spouse. -The Biblical fact that God s purpose for requiring a divorce document was for the express purpose of providing for a legal remarriage. -You will understand the tremendous pain and wounds that have been heaped upon millions of God s already wounded children . by the church itself . where they should have received help and healing. -You will find in this little book the tools to help heal many wounded souls that you already know. -You will understand better than ever before in your life the veracity of Christ s own words . that the truth will indeed bring freedom, peace, and joy. Ultimately this little book is a defense of God s reputation and His Holy Word . the two having been greatly damaged through confused translations of the Bible . and erroneous presentations of the nature and character of God. Kyrie Eleison.
